CIC Mining Resources Ltd

The Company is an advisory company, operating primarily in the mining and energy infrastructure sectors. The Company seeks to provide advisory services to entities operating at various stages of development, and the exclusive right to control the public listing process of any client company if the client company is an unlisted company.

Mining and energy infrastructure companies or projects will include those involved in the exploration for, and extraction of, base metals, precious metals, bulk commodities, thermal and metallurgical coals, industrial metals, hydrocarbons, renewables and new technologies, including single-asset as well as diversified natural resources companies.

The core services provided by CIC Mining Resources are: the Advisory Service which provides a range of technical, project management, strategic and commercial services; the Strategic Investment Service which helps companies source investment from industry partners for which the Company will typically receive an equity interest; and Advice on Listings where the Company helps the client realise value by listing on a Stock Exchange. www.cicresources.com
